

Remarks

Applicants thank the Examiner for the telephone interview conducted on January 14, 2005. During the interview, Applicants requested that the Examiner withdraw the Examiner's Amendment that was entered and included with the Notice of Allowability mailed on November 16, 2004. The Examiner indicated that some change was required to claim 24 to make the language more clear. Applicants and the Examiner agreed that setting off one clause of the claim with commas would achieve the desired goal. It was further agreed that the word "the", which had previously been changed by Examiner's Amendment to the word "to", would be changed back to "the". Applicants and the Examiner agreed that the changes discussed would be submitted in an Amendment After Allowance.

By this paper, claim 24 is amended in accordance with the discussion held with the Examiner during the January 14, 2005 telephone conference. Accordingly, allowance of each of the pending claims, including amended claim 24, is requested.

Respectfully submitted,

Mordechai Lev et al.
